Goals For My Care: (please read the following thoroughly so you know why these forms are important)

People see Chiropractors for a variety of reasons. Some go for Relief Care, to address their symptom, disease, or condition. Some go to Correct/Stabilize the cause of their symptom, disease, or condition. And some choose Wellness Care, so they can prevent future problems and maximize their health and well-being. Your Doctor will make optimal recommendations, based on your health and what your body needs. We would like to know what your goals are.

- Relief Care – Treatment designed to address an obvious symptom, disease, or condition
- Stabilization Care – Continue with the care necessary to fully heal soft tissues and muscles
- Wellness Care – Non-symptomatic or maintenance care, designed to maximize optimum spinal and nervous system function and help prevent disease.

Financial Policies:

I understand and agree that health and accident insurance policies are an arrangement between an insurance carrier and myself. Furthermore, I understand that Mitchellville Family Chiropractic will prepare any necessary reports and forms to assist me in making collection from the insurance company and that any amount authorized to be paid directly to Mitchellville Family Chiropractic will be credited to my account upon receipt. I understand that insurance companies do not pay for services that they determine to be not “medically necessary” and therefore, may deny payment for the services provided to me by Dr. Jason or Dr. Laura. However, I clearly understand and agree that all services rendered to me are my personal responsibility and I am securing my account with the credit card listed below. I also understand that if I suspend or terminate my care or treatment, any fees for professional services rendered me will be immediately due and payable. If payment hasn’t been received in 10 days from terminating care, I authorize deduction from my credit card.

Informed Consent:

I hereby request and consent to the performance of chiropractic adjustments and other chiropractic procedures, including various modes of physical therapy and diagnostic x-rays, on me (or on the patient named below, for whom I am legally responsible) by Dr. Jason, Dr. Laura and/or other licensed doctors of chiropractic who now or in the future work at Mitchellville Family Chiropractic, PC.

I understand and am informed that, as in the practice of medicine, in the practice of chiropractic there are some risks to treatment, including but not limited to fractures, disc injuries, strokes, dislocations and sprains. I do not expect the doctor to be able to anticipate and explain all risks and complications, and I wish to rely upon the doctor to exercise judgment during the course of the procedure which the doctor feels at the time, based upon the facts then known to him or her, is in my best interest. I understand that results are not guaranteed.

I have read the above consent. I understand I have the opportunity to ask questions about its content, and by signing below I agree to the above-named procedures. I intend this consent form to cover the entire course of treatment for my present condition and for any future condition(s) for which I seek treatment. I have received MFC’s 2013 HIPAA notice and understand the policy for my protected health information.
