Wellness Profile (Infant History)

Throughout the exam, the doctor will be searching for one thing: the CAUSE of your child's health challenge. Chiropractic wellness care seeks to find the causes of a health challenge, rather than simply trying to artificially alleviate the symptoms through chemical manipulation. The following questions are vital to finding the cause of your current health condition and finding solutions to your health challenge. Please take your time answering these questions, including anything that you may feel is related to your child's current complaints.

Financial Policy

IN-NETWORK GROUP OR INDIVIDUAL INSURANCE

Your insurance is an agreement between you and your insurance company, not between your insurance company and our office. We cannot be certain if your insurance covers Chiropractic, although most policies do provide coverage. The amount they pay varies from one policy to another. We will call to verify your benefits; however, the benefit quote obtained from your insurance company is not a guarantee of payment. As a courtesy to you, our office will complete any necessary insurance forms at no additional charge, and file them with your insurance company to help you collect. It is to be understood and agreed that any services rendered are charged to you directly and you are personally responsible for payment of any non-covered services, deductibles, co-insurance or co-pays. Your portion of charges are immediately due upon processing by insurance. **We will provide you with a monthly statement however we strongly encourage you to pay your anticipated amount due by the end of every week to avoid past due balances and interest charges.**

PATIENTS WITH OUT OF NETWORK INSURANCE

If you have insurance coverage with a company that we are not currently in network with we will attempt to verify your insurance and share the information with you during your report of findings on your 2nd visit. As a courtesy we will submit your claims; however we do not accept assignment with all insurance companies. We will let you know if we can accept assignment for you. When assignment is accepted the reimbursement will be sent directly to our office and you will only be asked to pay your anticipated patient portion and then any remainder amount due after insurance is complete. If we do not accept assignment, insurance reimbursement will be sent to you and your account will be handled in our office as a Cash account. Please see: "CASH PAYING..."

PERSONAL INJURY, AUTOMOBILE ACCIDENTS & WORKER'S COMPENSATION

Separate financial policies are enforced for PI and WC cases. Refer to Adjusting the World Paperwork for details.

MEDICARE

We accept assignment from Medicare and we will submit your claims for you. The check is usually sent directly to our office. The ONLY services that Medicare will cover when provided by a Chiropractor is manual manipulation of the spine. Maintenance and preventative service is not covered. Medicare pays 80% of the allowable fee once the deductible has been met. You are required to pay the deductible and the remaining 20%. All other services we provide are NONCOVERED. These services include, but are not limited to, x-rays, examinations, therapies, orthotics, supports, and/or nutritional supplements. Medicare patients are fully responsible for charges of non-covered services. Maintenance and preventative service is not covered. Secondary insurance may or may not pay for these non-covered services. Please see IN-NETWORK GROUP OR INDIVIDUAL INSURANCE for payment policy.

FLEX PLANS/MEDICAL SAVINGS ACCOUNTS

If you have a flex spending account we will be happy to provide you with a statement of your charges for reimbursement. (First statement of each year is no charge. Each subsequent statement will have a \$5 charge)

INSURANCE FORMS/PAYMENT

If you receive any correspondence from your insurance carrier pertaining to the care you have received at this office or a request of more information regarding your care, please bring it in as soon as possible. It is very important that we keep your file as up to date as possible. Occasionally, either by mistake, or due to provisions in your policy, the check issued by the insurance company for payment of services rendered in our office, may come to you instead of our office. If you should receive any unexpected check in the mail, please contact us to see if it does represent payment of your bill here.

SECONDARY INSURANCE

Please inform us of any secondary insurance.

CASH PAYING PATIENTS

If you do not fall under any of the other categories of payment, you are a **CASH** patient. Since there is no insurance to bill and there are no others responsible for your account, you are expected to pay for your visit at the time of service. You may pay with CASH, CHECK, or CREDIT CARD. We do not carry patient balances unless you have been approved for a payment plan through Care Credit, or have signed up for a monthly payment plan. For Care Credit applications and additional information on how to use Care Credit's no interest payment plans, please ask ...We're happy to help!

I have read and understand the payment policy of Adjusting the World Chiropractic. I understand that my insurance is an arrangement between myself and my insurance company, NOT between Adjusting the World Chiropractic and my insurance company. I request that Adjusting the World Chiropractic prepare the customary forms at no charge so that I may obtain insurance benefits. I also understand that if my insurance does not respond within 60 days, or if I suspend or terminate my schedule of care as prescribed by the doctors at Adjusting the World Chiropractic that fees will be due and payable immediately.
