FINANCIAL INFORMATION

ON THE JOB INJURY

Worker's Compensation pays in full of chiropractic care. We cannot accept you as a Work Comp case until we have written authorization from your employer. Upon being released from care, a three-month time period is allowed for settlement of your claim. If a settlement has not be reached within this time period, or if you have suspended or terminated your care without your doctor's approval, payment for services is due immediately.

PERSONAL INJURY OR AUTOMOBILE ACCIDENTS

Please present your auto insurance forms as soon as possible. If an attorney is handling your case, please notify the insurance department in our office right away. Although you are ultimately responsible for your bill, our office will wait for settlement to be paid as long as you are an active patient. If you suspend or terminate care, any fees or services are due immediately.

GROUP OR INDIVIDUAL INSURANCE

Your insurance is an agreement between you and your insurance company, not between your insurance company and this office. As a courtesy to our patients, our office will complete any necessary insurance forms at no charge, and file them with your company to help you collect. It is to be understood and agreed that services rendered are charged to you directly and you are personally responsible.

PATIENTS WITHOUT INSURANCE

- We request that 100% of the first visit be paid at the time of service.
- We are happy to accept your check, MasterCard, Visa or Discover Card.

MEDICARE

We do accept assignment from Medicare. **Medicare will provide payment for adjustments only.** You will be required to pay your 20% co pay on your adjustments after your deductible has been satisfied. We will bill your secondary insurance for your exam, x-rays, extremity adjustments, and tractions, if applicable. You will be responsible for what your insurance does not pay.

HEALTH MAINTENANCE ORGANIZATION (HMO)

We do accept assignment of many types of Health Maintenance Organizations. Patients are required by their HMOs to get referrals from their family physicians in order for their HMO insurance to cover their services at our office. The referrals must be dated for the date of services prior to office visit.

INSURANCE COVERAGE & PAYMENT

Copays and deductible amounts are due on the date of service. Martin Chiropractic will make every effort to verify your insurance benefits. **However, please note, verification does not guarantee payments**. You are asked to authorize Martin Chiropractic to furnish information regarding your case to your insurance company and to assign all benefits as a result of the claim. This permits us to follow up if benefits are other than anticipated. It also permits us to keep abreast of recent developments with local insurance companies, which enables us to continue to provide you with the most up-to-date information available.

Patient Health Information Consent Form

We want you to know how your Patient Health Information (PHI) is going to be used in this office and your rights concerning those records. Before we will begin any health care operations we must

require you to read and sign this consent form stating that you understand and agree with how your records will be used. If you would like to have a more detailed account of our policies and procedures concerning the privacy of your Patient Health Information we encourage you to read the HIPAA NOTICE that is available to you at the front desk before signing this consent.

1. **The patient understands and agrees to allow this chiropractic office to use their Patient Health Information (**PHI**) for the purpose of treatment, payment, healthcare operations, and coordination of care. "In the course of providing care, providers will share either written or electronic patient information with other providers who are involved in the patient's care, as appropriate." As an example, the patient agrees to allow this chiropractic office to submit requested PHI to the Health Insurance Company (or companies) provided to us by the patient for the purpose of payment. Be assured that this office will limit the release of all PHI to the minimum needed for what the insurance companies require for payment.**
2. **The patient has the right to examine and obtain a copy of his or her own health records at any time and request corrections. The patient may request to know what disclosures have been made and submit in writing any further restrictions on the use of their PHI. Our office is not obligated to agree to those restrictions.**
3. **A patient's written consent need only be obtained one time for all subsequent care given the patient in this office.**
4. **The patient may provide a written request to revoke consent at any time during care. This would not effect the use of those records for the care given prior to the written request to revoke consent but would apply to any care given after the request has been presented.**
5. **Our office may contact you periodically regarding appointments, treatments, products, services, or charitable work performed by our office. You may choose to opt-out of any marketing or fundraising communications at any time.** *If you do not wish to receive further information from this office, please contact us at 989-777-8282.*
6. **For your security and right to privacy, all staff has been trained in the area of patient record privacy and a privacy official has been designated to enforce those procedures in our office. We have taken all precautions that are known by this office to assure that your records are not readily available to those who do not need them.**
7. **Patients have the right to file a formal complaint with our privacy official and the Secretary of HHS about any possible violations of these policies and procedures.**
8. **Our office reserves the right to make changes to this notice and to make the new notice provisions effective for all protected health information that it maintains. You will be provided with a new notice at your next visit following any change.**
9. **This notice is effective on the date state below.**
10. **If the patient refuses to sign this consent for the purpose of treatment, payment and health care operations, the chiropractic physician has the right to refuse to give care.**

I have read and understand how my Patient Health Information will be used and I agree to these policies and procedures.
